RELIABLE AND CONSISTENT SUPPLY

You can count on Leiters Health to deliver the compounded medications you need when you need them. With expanded capacity and advanced automation, we are here to meet your needs with greater efficiency, consistency, and reliability.

UNWAVERING COMMITMENT TO QUALITY AND COMPLIANCE

As an FDA-registered 503B outsourcing facility, we adhere to the highest standards of cGMP compliance to ensure every product meets the highest quality and compliance standards, providing peace of mind for you and your patients.

BEST IN CLASS CUSTOMER SERVICE

We are your partners in care. Our dedicated customer service team is here to support you every step of the way. Our team is committed to providing clear communication and personalized support, ensuring a seamless experience.

Our promise is simple: to deliver the quality, reliability, and service you can trust—so you can focus on what matters most: your patients.

With an unwavering commitment to excellence, we stand ready to be the trusted partner you deserve.

Together, we are advancing patient care.

Ophthalmic Services

Leiters Health is a leading provider of ready-to-administer compounded and repackaged medications, including pre-filled syringes, IV bags, ophthalmic solutions, and other value-added pharmacy services. As an FDA-registered 503B outsourcing facility, Leiters Health supports hospitals and health systems nationwide by helping address medication shortages and streamline pharmacy operations.

Our approach is grounded in uncompromising quality and regulatory compliance. We invest heavily in advanced manufacturing technologies, robust quality systems, and automation to ensure product consistency, sterility, and reliable supply. These capabilities allow us to meet the evolving needs of the healthcare industry while maintaining the highest standards and strengthening the pharmaceutical supply chain.

What sets Leiters Health apart is our collaborative, partnership-driven model. Backed by health system equity investors, we work closely with our healthcare partners to align on long-term supply strategies while providing transparent, responsive support. We understand the critical role reliability plays in patient care and are committed to being a trusted extension of our partners' pharmacy operations.

Through a shared commitment to quality, collaboration, and dependable supply, Leiters Health helps healthcare providers maintain continuity of care and focus on delivering exceptional patient outcomes. Learn more at leiters.com.
