# Elevating the standards in 503B pharmaceutical outsourcing.

The world of healthcare is constantly changing. With increasing regulatory pressure, treatment shortages and the need to do more with less, high quality pharmaceutical outsourcing is more important than ever.

Leiters Health, founded in 1926, is an FDA-registered 503B outsourcing provider of hospital and ophthalmic compounded sterile preparations and pharmacy services.

Our team of experts in sterile pharmaceutical manufacturing, repackaging and quality assurance provide a sophisticated understanding of what it takes to elevate quality and consistency of supply in outsourcing. We combine our team, our robust processes and our state-of-the-art facility to ensure the highest quality vital medications for you and your patients.
